Collating – Nagarjuna

By Nagarjuna

I. History to be Developed in Historical Fact with Lived Narrative

Nagarjuna – a perfect thesis on society is history.

II. Practices within that History

Imagine one understands antiquity in India and perhaps Chinese Buddhist wanderers following us. It can be said that the Buddhist period of also Antiquity as societal Magadhan empire is then wedded also to many circles of our lives and practices which then are finally small circles in rock cut caves and other such stories at Nalanda.
